Dear Mr. Coulson and the Committee to Honor America's Veterans,

On behalf of Woodmen of the World Life Insurance Society and Brunswick County Chapter 160 I would like to formally endorse the Committee to Honor America's Veterans and the Sunset Beach Veterans memorial.

We thank Mr. Gordon Coulson for presenting to our Woodmen chapter the plans and vision for this much needed memorial in Sunset Beach. Woodmen of the World has a proud history of patriotism starting with our founding in 1890 and continuing through today. As a member-owned, fraternal life insurance company Woodmen of the World and our local chapters are constantly looking for ways to support our community and promote patriotism. From the presentation of American Patriot handbooks in our schools to the countless American and N.C. Flags we present on a weekly basis, our intent to promote service and patriotism throughout our community is always at our core.

We are proud and honored to be a small part of this great endeavor to establish a Veterans memorial in Brunswick County. We encourage the community to reach out to the committee members and get behind this project so that we may soon see a completed Veterans memorial in Brunswick County that we all can be proud of for generations to come.

Sincerely and Fraternally,

Mason G. Merritt
Field Representative
